# Canvas Collection.

Aesthetics of wood. Performance of fiberglass. A smooth, paintable door.

For years, Classic-Craft® doors have defined beauty, security and durability for fiberglass doors. Now the Classic-Craft® Canvas Collection™ delivers all of the performance of Classic-Craft® in a smooth, paintable fiberglass door that features all of the crisp, rich embossment details of custom wood. Versatile enough to be painted inside or out to match any home décor, this collection features five incredible styles with 11 decorative and a clear Low-E glass option to meet the needs of today's market.

Affordable quality.

The perfect alternative to custom wood, far superior to heavy-gauge steel, Canvas Collection™ doors are unlike anything currently in the marketplace.

- Architecturally correct details, including 26" wide center panels and square edges
- Won't rust, dent, or scratch like heavy gauge steel; won't rot or warp like wood
- ENERGY STAR®-qualified for maximum efficiency
- Clear Low-E glass standard, 11 decorative glass designs optional
- Premium construction provides enhanced safety and security
- Available with 12" and 14" flush-glazed sidelites
- Limited Lifetime warranty; Tru-Defense® eligible

**Differentiating your business.**

You've never offered a door like this... because there has never been a door like Canvas Collection™. Until now, customers who wanted rich, crisp detail chose custom wood. Those who required affordability chose steel or economy smooth fiberglass. The Canvas Collection™ provides the best of both worlds.

With 5 styles and 11 decorative glass options to choose from, your customers can create an entry that showcases their style and personality. Which means you'll have an easier time selling and fewer callbacks.
